

NOTICE TO TAXPAYERS

2016 REAL ESTATE ASSESSMENT LIST

MARION COUNTY

Valuation Date (35 ILCS 200/9-95): January 1, 2016
Required Level of assessment
(35 ILCS 200/9-145): 33.33%

Publication is hereby made for equalized assessed valuations for real property in Marion County in accordance with 35 ILCS 200/12-10. As required by 35 ILCS 200/9-210 and 35 ILCS 200/10-115, the following equalization factors have been applied to bring the assessments to the statutorily required three-year median level of 33.33%:

Non-Farm Land: 1.0000
 Non-Farm Improvements: 1.0000

Questions about these valuations should be directed to the Township Assessor. To identify your Township Assessor you may contact the Marion County Supervisor of Assessments at 618/548-3853.

Property in Marion County, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact your township assessor's office to review the assessment.
2. If not satisfied with the assessor review, taxpayers may file a complaint with the Marion County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call (618) 548-3853 for more information.
3. The final filing deadline for your township is 30 days from this publication date which is **December 29, 2016**. After this date, the Board of Review is prohibited by law from accepting assessment complaints.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, call (618)548-3853.

Your property tax bill will be calculated as follows:

Final Equalized Assessed Value – Exemptions = Taxable Assessment;

Taxable Assessment X Current Tax Rate = Total Tax Bill.

All equalized assessed valuations are subject to further equalization and revision by the Marion County Board of Review as well as equalization by the Illinois Department of Revenue.

A complete list of assessments for Marion County for the current assessment year, except those assessments that were changed solely by equalization as noted above, is as follows:

Patoka Township

PUBLIC NOTICE TO MARION COUNTY TAXPAYERS

Pursuant to 35 ILCS 200/10-115, the farmland assessments for the 2016 assessment year will increase by 10% of the preceding year's median cropped soil productivity index as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a \$21.86 per acre increase for each soil productivity index.

PUBLIC NOTICE TO MARION COUNTY TAXPAYERS

The Supervisor of Assessments has applied an equalization factor on the townships listed. The factor has been applied to Urban Property, Homesites excluding Farmland, Farm Buildings, Coal, Oil and Lots assessed under 35 ILCS 200/10-30. **The equalization factor has been applied to the assessed value for the 2016 assessment year after changes by the local assessor and the Supervisor of Assessments.** Any changes other than equalization are being published separately. This notice has been given in accordance with Property Tax Code 35 ILCS 200/9-120.
