## 2017 REAL ESTATE ASSESSMENT LIST

### MARION COUNTY

Notice is hereby given, pursuant to Property Tax Code (35 ILCS 200/) under Section 12-10, for the publication of the 2017 assessed valuations for real property and equalization under Sections 9-210 and 10-200. As required by Sections 9-205 and 9-210 of the Property Tax Code the following 2017 equalization factors have been applied by township/assessment districts to all property except farmland and coal properties as assessed under Sections 10-110 through 10-140 and 10-170 through 10-200 of the Property Tax Code to bring the assessments to the statutorily required three-year median level of 33 1/3%. By law (35 ILCS 200/9-145) assessments of property, other than farmland and coal, are required to be assessed at 33 1/3% of fair cash (market) value.

Salem Township	
Residential	1.06
Commercial	1.06
Industrial	1.06
Other Land and Improvements	1.06
Farm Homesite and Dwelling	1.06

Your property is to be assessed at the above listed median level of assessments for the assessment district. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash (market) value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

ANYONE WHO CONSIDERS THEIR ASSESSMENT TO BE INCORRECT MAY FILE A COMPLAINT IN WRITING WITH THE MARION COUNTY BOARD OF REVIEW. FILING DEADLINE IS November 22, 2017. All written complaints must be filed on form PTAX-230 or PTAX-227 for farmland and will be acted upon in accordance with the law. CLINTON COUNTY BOARD OF REVIEW, 100 E. MAIN, RM 101, SALEM, IL 62881; TELEPHONE: 618-548-3853.

PROCEDURE TO FILE A COMPLAINT: Complete a complaint form PTAX-230 or PTAX-227 for farmland, available at the Office of the Chief County Assessment Officer. Evidence to support your complaint MUST be submitted with the complaint at the time of filing. Evidence required may be in the form of an appraisal, recent sale or construction data or comparable sales data sheet. TO CHECK HOW YOUR ASSESSMENT IS CALCULATED, CALL OR VISIT THE OFFICE OF YOUR TOWNSHIP ASSESSOR OR THE OFFICE OF THE CHIEF COUNTY ASSESSMENT OFFICER TO OBTAIN A COPY OF YOUR PROPERTY RECORD CARD.

The amount of your tax bill is determined by taking the equalized assessed value (after Board of Review and State Equalization) of your property and applying the aggregate tax rates from the levies of all local taxing districts and units of local government in which your property is located. Your property tax bill is calculated as follows:

Final Equalized Assessed Value – Exemptions = Taxable Assessment

Taxable Assessment x Current Tax Rate = Total Tax Bill

You may qualify for a homestead exemption on your property which will reduce your property's equalized assess value. Homestead exemptions are available for general homestead, homestead improvement, disabled persons, disabled veterans, returning veterans and senior citizens. For information and application, contact the Chief County Assessment Office at 618-548-3853.

All of the following assessed values by the Chief County Assessment Officer are subject to further equalization by the Illinois Department of Revenue.
